Assistant Director for Research and Reports

[REDACTED] 25X1A5a1

REFERENCE: Memorandum from Chief, OO/C to AD/RR and attachments thereto

1. The proposal of the [REDACTED] to 25X1A5a1 undertake a study of selected rare metal resources of the USSR for this Agency is still under study in the Office of Research and Reports, and in view of present circumstances a final decision will probably be delayed.

2. It would, therefore, be greatly appreciated if your Office would advise [REDACTED] 25X1A5a1 that the proposal is under close study, but that a decision cannot be expected for some time.
